

## Attn: DATES HAVE CHANGED!

June 25, 2010

Dear Potential Vendor,

The Anderson Arts Center presents its *2nd Annual Pet Project Exhibition*. Pet Project is an art exhibit that features the special relationship between people and their pets. It will feature five artists working in various media who specialize in pet portraiture. We also have a photography component open to the public to enter pictures of their pets for the exhibit, with a chance to win up to \$500! The photography contest has been sponsored by the Anderson Independent-Mail.

The exhibit will be on display August 13 through September 17, 2010. We will have an Opening Reception on Friday, August 13th starting at 7:00pm, and a Festival on Saturday, August 14th from 10am to 2pm. The "FurFest" Festival will promote everything from pet adoptions to vendor opportunities, and art activities. Last year we had over 300 attendees for the opening reception and we expect the exhibit to grow this year!

We are inviting local businesses related to pets to join us on Friday and/or Saturday as a vendor. Vendors have the opportunity to promote their business, as well as be part of one of our most successful shows! Pets will not be allowed in the Arts Center on Friday night for the Opening Reception, but on Saturday the fur will be flying! People and their pets are encouraged to attend the FurFest for all the fun activities. Each vendor will be supplied with a table and two chairs for event(s), if needed.

We have included a vendor application if you are interested in promoting your business during our opening weekend activities. If you have any questions, please contact Kimberly Spears, the Executive Director, at 864.222.2787 or email us at [stacey@andersonartscenter.org](mailto:stacey@andersonartscenter.org).

Thank you ahead of time for your participation and an exciting event!

Sincerely,

The Arts Center Staff & Pet Project Committee
